Re New Orleans telephone call to Kansas City, 5/25/83,  
 and New Orleans teletype to Kansas City, 5/27/83.

On 5/25/83, SAC authority was granted to consensually  
 monitor telephone conversations between [redacted] and ADLER  
 BERRYMAN SEAL, one of the subjects in captioned case.

Authority for consensual monitoring was granted for the  
 purpose of monitoring telephone calls in which it was felt that  
 subject SEAL would possibly make threats against [redacted] if he had  
 learned of [redacted] cooperation in the investigation.

One call between [redacted] and SEAL was recorded. In this  
 call, SEAL is inviting [redacted] to come to Baton Rouge and when [redacted]  
 declined, SEAL asked [redacted] if he is afraid to meet with him. There  
 are some veiled threats in SEAL's insistence that he can learn of  
 [redacted] location through [redacted] and in the way SEAL states that  
 he will be seeing [redacted]

BECAUSE NO MONITORING CAN BE CONDUCTED UNLESS SURVEILLANCE SHOWS

SPECIAL OPERATIONS GROUP (SOG) NEW ORLEANS HAS CONDUCTED EXTENSIVE SURVEILLANCES OF SEAL DURING THE PAST 90 DAYS. THESE SURVEILLANCES HAVE ESTABLISHED THAT SEAL IS EXTREMELY SURVEILLANCE CONSCIOUS AND EMPLOYS COUNTER-SURVEILLANCE TECHNIQUES. HE IS KNOWN TO MONITOR NORMAL BUREAU RADIO COMMUNICATIONS AND TO ROUTINELY CHECK HIS VEHICLES FOR TRACKING DEVICES.

TO CONDUCT SURVEILLANCE OF SEAL DURING THE TITLE III IT WILL BE NECESSARY TO ESTABLISH TWO SHIFTS. EACH SHIFT MUST BE STAFFED BY FOUR GROUND UNITS AND ONE AIRCRAFT WITH TWO PILOTS.

b3

SOG NEW ORLEANS CAN SUPPLY THE NEEDED MANPOWER TO STAFF ONE SHIFT HOWEVER CANNOT MEET THE REQUIREMENTS OF TWO SHIFTS.

BECAUSE OF THE IMPORTANCE OF THE TARGET AND THE COUNTER-SURVEILLANCE TECHNIQUES EMPLOYED BY HIM IT IS RECOMMENDED BY THE SAC, NEW ORLEANS THAT ANOTHER SOG TEAM BE SENT TO NEW ORLEANS TO ASSIST IN SURVEILLANCE OF TARGET DURING TITLE III.

ON OCTOBER 13, 1983, SAC, NEW ORLEANS CONTACTED SAC, ATLANTA RE ATLANTA'S SOG AVAILABILITY. SAC ATLANTA ADVISED THAT DUE TO HIGH PRIORITY OF THIS CASE HE COULD SUPPLY FOUR AGENTS FOR GROUND

PAGE THREE NO 245D-7 UNCLAS

SURVEILLANCES AND ONE PILOT FOR A TWO WEEK PERIOD. SAC, ATLANTA REQUESTED AND SAC, NEW ORLEANS AGREED THAT AFTER TWO WEEKS AN EVALUATION BE MADE TO DETERMINE IF NEW ORLEANS CONTINUES TO NEED THE SERVICES OF ATLANTA SOG.

THE BUREAU IS REQUESTED TO AUTHORIZE FIVE ATLANTA SOG AGENTS TO TRAVEL TO BATON ROUGE, LOUISIANA, TO ASSIST IN THIS MATTER. TRAVEL WILL NOT COMMENCE UNTIL NEW ORLEANS ADVISES ATLANTA THAT TITLE III HAS BEEN SIGNED.

Re: ADLER BERRIMAN SEAL

Maintain contact with Departmental Strike Force Attorney or Assistant U.S. Attorney handling this matter to determine when formal presentation will be made to the appropriate U.S. District Court for installation of surveillance.

Immediately advise Bureau when order is obtained and electronic surveillance is in operation. Also advise code designation of electronic surveillance, when and if an extension order is obtained, and date of discontinuance of surveillance. In addition, a succinct summary of pertinent information received from electronic surveillance should be reported to Bureau every five days until coverage terminated.

It will be necessary to prepare a verbatim transcript of only those communications which in judgment of supervising attorney will be utilized in court in connection with this investigation. Transcripts must be prepared promptly in order that appropriate prosecutive action can be conducted which will coincide with termination of electronic surveillance coverage.

In line with existing Bureau instruction, (MIOG, Part II, Section 10-9), promptly forward to Bureau each Friday, blue index cards for our elsur indices so as to insure we have up-to-date records reasonably identified as having been monitored. Insure proprietary interest cards are forwarded promptly to FBIHQ.

DETAILS: 1. Synopsis of Investigation:

Investigation was initiated on 1/11/83, predicated upon information provided by the Drug Enforcement Administration (DEA) and multiple sources. This information revealed that Alder Berriman Seal and [redacted] are involved in narcotics trafficking and the "laundering" of funds derived from such trafficking.

Independent investigation, including pen registers, physical surveillance, local, state and federal law enforcement intelligence, has corroborated the initial information associated with the narcotic trafficking activities of Alder Berriman Seal and [redacted]

Multiple sources listed in the affidavit have been members of Seal's drug distribution network and have observed Seal in the possession of hundreds of thousands of dollars derived from his narcotic trafficking activities. They have also observed him in possession of large quantities of marijuana, barbiturates, and cocaine. These same sources have participated in Seal's organization in the smuggling and distribution of narcotics involving Colombia, Honduras and the United States.

investigation was initiated in January 1983, pre-

narcotics trafficker in the Baton Rouge area.  
Probable cause as to the narcotics trafficking by  
Seal is furnished by four sources, the most perti-

Re: Adler Berriman Seal;  
et al;  
Narcotics

The AOC has mandated that all Form 1 and Form 2 submissions beginning with new Title III court orders on or after 1/1/80 be submitted on the forms attached. AOC is authorized to issue binding regulations dealing with the content and form of the reports required to be filed under subsection (1) and (2) of Title 18, U.S.C., Section 2519.

The following procedural steps are to be followed in order to comply with the current instructions of the AOC, the Department of Justice, and the FBI:

Step 1 - FBIHQ ELSUR Index, upon becoming aware of a new Title III court order being signed, will, on a case-by-case basis, forward by airtel under the substantive case caption to the field office involved a prenumbered, precarboned Form 1 and Form 2 packet as provided by the AOC.

Step 2 - By return airtel under the substantive case title, the field office involved is to advise FBIHQ of the name of the prosecuting official making the Title III application and the name of the Special Agent who will then have the responsibility for completing the enclosed packet. This airtel should be submitted inside a sealed brown envelope clearly labeled "Director, FBI, ELSUR Index, FBIHQ."

Step 3 - Form 1 reports are to be submitted on or before the 30th day following the denial of a court order, or, in the case of the issuance of such an order, on or before the 30th day following the expiration of the order, including all extensions. The designated Special Agent and the prosecuting official will complete the Form 1 portion of the enclosed packet.

Step 4 - The prosecuting official shall then be responsible for providing the issuing Judge the Form 1 for his review, approval, and signature in order for the Court to forward the Form 1 to the AOC in compliance with Title 18, U.S.C., Section 2519 (1).

Step 5 - The FBI has assumed the responsibility for the submission of the Form 2 (ply 3 of the enclosed packet) to the AOC in place of the prosecuting official as is indicated on the enclosed material. The Special Agent responsible for the completion of the Form 2

Airtel to SAC, New Orleans  
Re: Adler Berriman Seal;  
et al;  
Narcotics

portion will retain, with no additional notations at the time, that portion (ply 3) in the exhibit section of the substantive file until the end of the calendar year in which the order terminated, at which time it will be submitted to FBIHQ ELSUR Index.

Step 6 - The Special Agent designated shall compile the statistics, costs, and results of the Title III in order to complete sections 7 through 11 of the Form 2.

Step 7 - At the end of each calendar year, FBIHQ will furnish instructions to all offices for the completion of the remaining portions of the Form 2 (sections 7 - 11) and the subsequent submissions of the form to FBIHQ ELSUR Index. Upon receipt of the Form 2s, FBIHQ will coordinate the preparation and submission of these forms to the AOC in compliance with the aforelisted statute.

The Special Agent responsible for coordinating with the prosecuting official supervising your recent court order dated [redacted] and responsible for completing the packet, must become totally familiar with the instructions and the format. The enclosed packet is prenumbered and accounted for, therefore, extreme care must be given to follow these instructions and eliminate retypes insofar as possible.

b3

In the event you have any questions regarding the completion of the enclosed packet, contact should be made with FBIHQ, ELSUR Index, extension 3300.

New Orleans is requested to furnish FBIHQ ELSUR Index court order date and judge's name for the above court order.

Memo to Revell from [redacted]  
RE: ALDER BERRIMAN SEAL

b6  
b7C

Investigation was initiated on 1/11/83, predicated upon information provided by the Drug Enforcement Administration (DEA) and multiple sources. This information revealed that Alder Berriman Seal and [redacted] are involved in narcotics trafficking and the "laundering" of funds derived from such trafficking.

Independent investigation, including pen registers, physical surveillance, local, state and federal law enforcement intelligence, has corroborated the initial information associated with the narcotic trafficking activities of Alder Berriman Seal.

b3  
b7D

Referral/Consult

On 7/1/72, the United States Customs Service arrested Seal on smuggling charges which stemmed from his attempt at flying a DC3 Aircraft from New Orleans to Mexico, loaded with 46,000 pounds of explosive C-4. Seal was indicted in the Eastern District of Louisiana on smuggling charges.

[redacted]  
[redacted]  
[redacted] This information was corroborated by the UCA as experienced by him, when dealing with Seal. Current surveillance by the New Orleans Division indicates that Seal continually utilizes public telephones. [redacted]

RE: ALDER BERRIMAN SEAL

2. Characterization of Targeted Subject:

Alder Berriman Seal is a documented major narcotics trafficker in the Baton Rouge, Louisiana, area, currently engaged in criminal conduct with others in the importation, procurement, sale, concealment, distribution, sale and transportation of narcotics, and the unlawful use of a communication facility thereof, in violation of Sections 841(a) (1), 843(b), 846, 848, 952 and 963 of Title 21, U. S. Code.

3. Priority of Investigation:

This is an approved narcotics task force case from the Gulf Coast Region and has met all of the pertinent criteria to so be designated. It is regarded as a major narcotics investigation in the New Orleans Division and considered a flourishing narcotics network. A prosecutable case against this organization would have a substantial impact on the illegal distribution of drugs in Baton Rouge, Louisiana and help to disrupt drug smuggling into the United States.

4. Synopsis of Probable Cause:

The investigation of Alder Berriman Seal, has disclosed concrete evidence of substantial narcotics smuggling and other forms of narcotics trafficking. Multiple source information indicates that Seal has been observed to possess, sell, and transport large quantities of marijuana, barbiturates, and cocaine, and that Seal utilizes public telephones to conduct his narcotics business. Source information was corroborated by independent investigation and by efforts of an undercover agent.

Seal has a history of smuggling activity dating back to his previously mentioned arrest in July, 1972. [REDACTED]

Re: Coin Roll;  
Narcotics Matter

Please use the enclosed prenumbered forms for the below-listed court order and any extensions thereof.

The AOC has mandated that all Form 1 and Form 2 submissions beginning with new Title III court orders on or after 1/1/80 be submitted on the forms attached. AOC is authorized to issue binding regulations dealing with the content and form of the reports required to be filed under subsection (1) and (2) of Title 18, U.S.C., Section 2519.

The following procedural steps are to be followed in order to comply with the current instructions of the AOC, the Department of Justice, and the FBI:

Step 1 - FBIHQ ELSUR Index, upon becoming aware of a new Title III court order being signed, will, on a case-by-case basis, forward by airtel under the substantive case caption to the field office involved a prenumbered, precarboned Form 1 and Form 2 packet as provided by the AOC.

Step 2 - By return airtel under the substantive case title, the field office involved is to advise FBIHQ of the name of the prosecuting official making the Title III application and the name of the Special Agent who will then have the responsibility for completing the enclosed packet. This airtel should be submitted inside a sealed brown envelope clearly labeled "Director, FBI, ELSUR Index, FBIHQ."

Step 3 - Form 1 reports are to be submitted on or before the 30th day following the denial of a court order, or, in the case of the issuance of such an order, on or before the 30th day following the expiration of the order, including all extensions. The designated Special Agent and the prosecuting official will complete the Form 1 portion of the enclosed packet.

Step 4 - The prosecuting official shall then be responsible for providing the issuing Judge the Form 1 for his review, approval, and signature in order for the Court to forward the Form 1 to the AOC in compliance with Title 18, U.S.C., Section 2519 (1).

Airtel to SAC, New Orleans  
Re: Coin Roll;  
Narcotics Matter

Step 5 - The FBI has assumed the responsibility for the of the Form 2 (ply 3 of the enclosed packet) to the AOC in place submission of the prosecuting official as is indicated on the enclosed material. The Special Agent responsible for the completion of the Form 2 portion will retain, with no additional notations at the time, that portion (ply 3) in the exhibit section of the substantive file until the end of the calendar year in which the order terminated, at which time it will be submitted to FBIHQ ELSUR Index.

Step 6 - The Special Agent designated shall compile the statistics, costs, and results of the Title III in order to complete sections 7 through 11 of the Form 2.

Step 7 - At the end of each calendar year, FBIHQ will furnish instructions to all offices for the completion of the remaining portions of the Form 2 (sections 7 - 11) and the subsequent submissions of the form to FBIHQ ELSUR Index. Upon receipt of the Form 2s, FBIHQ will coordinate the preparation and submission of these forms to the AOC in compliance with the aforelisted statute.

The Special Agent responsible for coordinating with the prosecuting official supervising your recent court order dated [redacted] and responsible for completing the packet, must become totally familiar with the instructions and the format. The enclosed packet is prenumbered and accounted for, therefore, extreme care must be given to follow these instructions and eliminate retypes insofar as possible.

b3

In the event you have any questions regarding the completion of the enclosed packet, contact should be made with FBIHQ, ELSUR Index, extension 3300.

## Instructions

### Subject Priorities for FBI Arrest or Locates:

- A - Subject wanted for crimes of violence (i.e. murder, manslaughter, forcible rape, robbery and aggravated assault) or convicted of such crimes in the past five years.
- B - Subjects wanted for crimes involving the loss or destruction of property valued in excess of \$25,000 or convicted of such crimes in the past five years.
- C - All others

### Claiming Convictions Other Than Federal:

It is permissible to claim a local (state, county or local) conviction if the FBI's investigation significantly contributed to the successful local prosecution. A succinct narrative setting forth the basis for claiming a local conviction must accompany this report. When claiming a conviction other than Federal, enter the word "LOCAL" in the "Conviction-Section" block, disregard the number of conviction counts, but enter the sentence in the appropriate blocks. Enter "LF" in the "In-Jail" block for all life sentences and "CP" for all capital punishment sentences.

### Reporting Convictions:

- Convictions should not be reported until the sentence has been issued. There are two exceptions to this rule. The conviction information can be submitted by itself if:

- 1. The subject becomes a fugitive after conviction but prior to sentencing.
- 2. The subject dies after conviction but prior to sentencing.

An explanation is required in the Remarks section for either of the above exceptions.

### Rule 20 Situations:

The field office that obtained the process (normally the office of origin) is the office that should claim the conviction, not the office where the subject enters the plea in cases involving Rule 20 of the Federal Rules of Criminal Procedures.

### Investigative Assistance or Techniques (IA/Ts) Used:

-Since more than one IA/T could have contributed to the accomplishment, each IA/T must be rated.

-The IA/T used must be rated **each time** an accomplishment is claimed. (For example - if informant information was the basis for a complaint, an arrest, a recovery and a conviction and if separate FD-515s are submitted for each of the aforementioned accomplishments, the "Informant Information" block must be rated on each FD-515 even if it was the same information that contributed to all the accomplishments.)

MURDER OF WITNESS ADLER BARRY SEAL

INFORMATION MEMORANDUM

ADLER B. SEAL

At approximately 6 p.m. on February 19, 1986, Adler Barry Seal was shot to death in front of the Salvation Army (SA) building in Baton Rouge, Louisiana. Seal was a convicted international drug smuggler with direct ties to Colombian families, particularly the Ochoa family. Seal was the subject of a New Orleans Drug Task Force investigation and was being used as a cooperating defendant by Drug Enforcement Administration (DEA) in Miami, Florida, and Las Vegas, Nevada. He was not an FBI informant. Seal pled guilty to narcotics trafficking in the Middle District of Louisiana (MDLA), and was serving a sentence of six months' community service at the SA halfway house in Baton Rouge, Louisiana.

The New Orleans (NO) Organized Crime Drug Enforcement (OCDE) Task Force case was conducted while Seal was appealing a 10-year sentence which resulted from a previous DEA investigation in the Southern District of Florida. Apparently, because of the unlikelihood of a successful appeal of his 10-year sentence, and pending prosecution,

RE: MURDER OF WITNESS ADLER BARRY SEAL

Seal testified before the President's Commission on Organized Crime in October 1985. As a result of his cooperation and testimony, the 10-year sentence previously given Seal in Florida was reduced to probation. However, as part of his plea agreement per New Orleans case, he was sentenced to serve six months in a Baton Rouge halfway house, the one to which he was returning on February 19, 1986 when he was killed. Immediately after the shooting, sheriff's deputies alerted FBI, Baton Rouge, who thereafter directed Agents in New Orleans to cover the New Orleans airport. Through aggressive investigation at the airport, the Agents were able to identify possible suspects and develop leads which led to the arrest of six persons, five of whom are believed to be directly involved with the murder of Seal.

During the period of February 19-21, 1986:

- (1) [REDACTED] was arrested at Meridian, Mississippi based on verbal authorization of the United States Attorney. A Federal complaint charged him with obstruction of justice. [REDACTED] had a U.S. passport showing date of birth, [REDACTED] and place of birth, [REDACTED] with a residence in [REDACTED]. This passport reflects numerous trips to Colombia, South America;
- (2) [REDACTED] was arrested at Miami, Florida, as a possible illegal alien, after FBI, New Orleans advised that he was on a flight from New Orleans to Miami;
- (3) [REDACTED] aka [REDACTED] claimed [REDACTED] citizenship but had New Orleans identification. He was arrested by Immigration and Naturalization Service (INS), at New Orleans, as a possible illegal alien;
- (4) [REDACTED] was arrested at New Orleans and charged with Obstruction of Justice and Conspiracy to Intimidate a Federal Witness;
- (5) [REDACTED] and,
- (6) [REDACTED] pursuant to a search warrant was arrested at Marrero, Louisiana on immigration charges.
